

iOS Enrolment Guide

iOS Version: 14.1 | Workspace ONE | Intelligent Hub: 20.09.0 | Example Device: Apple iPhone 7

Note: This device guide is based on the above listed device and operating system version, steps may differ for different device or operating system versions.

Based on your company's mobility requirements, enrolling your device will allow you to access corporate apps, and/or receive email, contacts and calendars.

The enrolment process will take approximately between 10 to 25 minutes

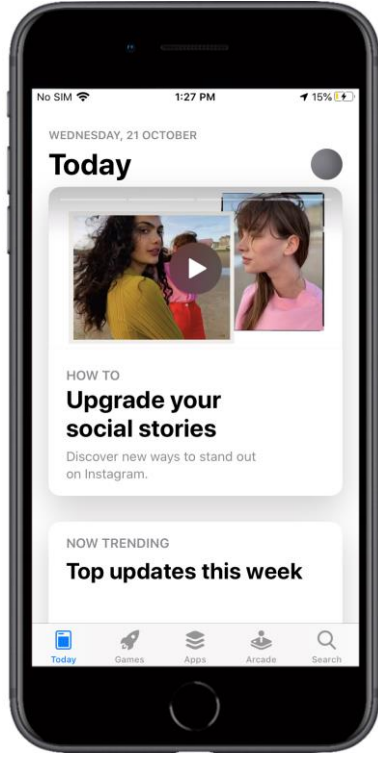

Prerequisites

- ❑ **Email Address:** This is your work email address
- ❑ **Network Credentials:** This is your network username and password used to log into internal corporate systems.
- ❑ **Connectivity:** You will need an active 3G/4G or Wi-Fi connection
- ❑ **Battery:** Ensure your device has been charged and has at least 50% of battery remaining to complete the enrolment
