

How to Transfer Photos From an iPhone to a PC

Step 1

Insert the Lightning-to-USB cable to your iPhone and connect the USB end into the USB port on the PC

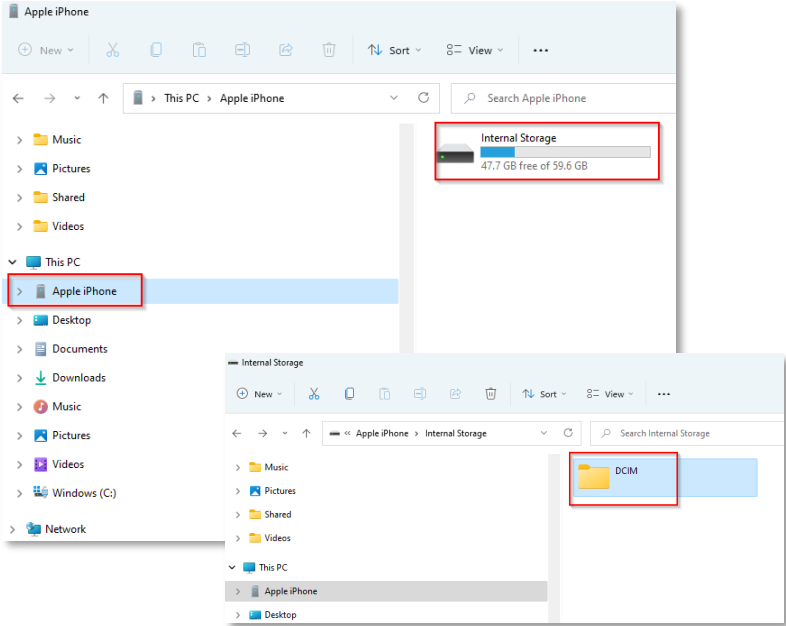

Step 2

On you iPhone, select **Trust**

Step 3

Enter your device passcode

Step 4

On your PC, open File explorer. Select **Apple iPhone** under 'This PC' then double click Internal Storage

Step 5

Your photos and videos are stored in the DCIM Folder. You can copy and paste the folder to your PC
